2001	45,327,000	122,739,040	37%	20	3,515,729,000	7,956,304,184	44%
2000	40,118,000	114,518,630	35%	20	3,136,353,000	7,208,500,491	44%
1999	38,441,000	117,243,018	33%	19	2,945,717,000	7,232,781,489	41%
1998	27,200,000	103,264,164	26%	25	276,115,000	6,331,091,265	44%

* Data are not available for 2002.

Note: State need-based aid is compared to federal Pell Grants for state-to-state comparison because Pell Grants use a common measure of student financial need, making these proportions comparable across states with different population sizes and characteristics.
